

I am writing to register a complaint about Sinclair Broadcasting. I feel that they are acting as a partisan group and abdicating their responsibility to serve the public interest by airing the anti-Kerry propaganda piece, Stolen Honor, a few weeks before the election. They should either refrain from showing this dubious piece of "journalism" or should give equal air time to a pro-Kerry documentary or program. Sinclair Broadcasting has an obligation to serve the public, as they use our airwaves free of charge. I encourage you to refuse to renew their broadcasting license if they go forward in showing this documentary without offering a pro-Kerry alternative as well. Thank you.
